

## Invitation: Research webinar on Anal Cancer

The First International Multidisciplinary Anal Cancer Conference (IMACC) in Aarhus, Denmark, has been rescheduled to November 11-12, 2021. More information will be available in spring 2021.

The International Faculty of IMACC will host a research webinar on **Thursday November 5<sup>th</sup>, 1-4 pm CET.**

**Please register before October 29 using this [link](https://ilk.dk/cmjajv): <https://ilk.dk/cmjajv>**  
**Registration is free.**

### Topics covered in the webinar include:

- Advances in chemoradiotherapy
- Optimising systemic therapy in metastatic anal cancer
- Multimodal approaches for advanced disease
- Follow-up and survivorship in anal cancer patients
- Prognostic and predictive biomarkers and how can we use them
- Early research topics

A detailed program and information on how to access the webinar will follow.

Best regards, on behalf of the faculty
